Box and Pan Folder

Our HF range of hydraulic folding machines offer powerful folding and adjustable manual angle setting. The HF range is a cost effective alternative to our Press Brake Range of Machinery.

Mantech have been supplying industrial machinery for nearly 25 years, why not get in touch with one of our industry experts to discuss your sheet metal machinery requirements.

Used in an array of industries such as:

**Aerospace | Automotive | Sign Making | Fabrication | Prototyping**

**“Easy to operate, affordable pricing. If your budget doesn’t stretch to On of our Premium Press Brakes this Affordable machine is a Great choice.”**

Premium 1 year warranty included

# Hydraulic Folders
